Great God help us cherish this earth Your pla - net of in - fi - nite worth So
Tech - no - lo - giesshapeall our lives So much on their use we re - ly But
Now na - ture hasless plants and bees Vast flood - ing brings death and di - sease Fast
Free will for us all Lord you gave As stew - ards of all that you made So

per - fect - ly placed from the sun That wa - ter with Earth's life be - gun To -
fos - si - lised en - er - gy warms As na - ture's lost ba - lance now warns Cre -
fire - s de - stroy lives and trees Yet still green-house ga - ses in - crease Earth's
cle - ver but not al - ways wise Your pre - sence we need in our lives For

day what a change we can see Where life thrives on land and in sea Where
a - tion cries out in des - pair For some spe cies no lon ger there! Earth's
war - ming we must now ad - dress With ac - tions of care that re - dress Lord
wis - dom with vi - sion we pray Help world lea - ders walk in your way Great

views of this earth seen from space Show won - ders of your hu - man race.
shrin - king re - sour - ces face threats As - pro - fits not va - lues im - press.
help us not leave things and wait Re - gret - ting we've ac - ted too late.
God in your spi - rit we trust Please help us now do what we must!
